SAIL TO FIND SOURCE OF RIVER OF DOUBT Expedition Will Spend Two

Years in South America.

The Mulford Biological Expedition, which will pick up the lost trail of the Boosevelt River of Doubt, sailed yesterday by the Grace liner Santa Elisa for Antofognata, Chile. The expedition is beaded by Dr. Henry H. Busby of the Columbia University School of Pharmacy and has among its other members Dr. Frederick L. Hoffman, statistician and vice-president of the Prudential Insurance Company; Dr. Orman E. White of the Brooklyn Botanical Gardens, Dr. William M. Mann, assistant entomologist of the United States Bureau of Entomology; Dr. Everett Pearson, ichthyological pick and the Brooklyn Botanical Gardens, Dr. William M. Frederick Bureau of Entomology; Dr. Everett Pearson, ichthyological pick and the Brooklyn Botanical Gardens, Dr. Everett Pearson, ichthyological pick and pick mology: Dr. Everett Pearson, ichthyologist of the Indiana University, and

George F. McCarthy, expert photographer.

The party will complete its equipment at Antofogasta and will cross the Aodea, using liamas and mules. From La Paz, Bolivia, it will start for hitherto unexplored territory of the Madeira and Amazon rivers. They will spend two years in uncharted regions and expect to trace the Hiver of Doubt to its source, incidentally collecting fauna and floro, particularly rare plants and herbs for chemists and medical professors.

ESPERANTO'S CREW

IS SAFE IN HALIFAX Fishing Schooner's Men Leave for Homes To-day.

Special Despatch to THE NEW YORK HEEALD. HALIFAX, June 1.—The crew of the fishing schooner Esperanto, champion of the Gloucester fleet, which sunk off Sable Island, was landed safely at Halifax, and to-night were made comfortable in the new Navy League Club. They will leave here to-morrow for their

will leave here to-morrow for their homes.
Capt. Thomas Benham said he did not know of the location of the derelict which the Esperanto struck, but Capt. Aften Goel of the Elsle II., who resided the Esperanto's crew, said that four years ago his nets became entangled in the wreckage. The Esperanto had to be abandoned directly after she struck, and went down in twenty minutes. The derelict which was struck is the old steamship State of Virginia, wrecked in 1879, which now is ten feet under water on the sands.

Ground was broken yesterday at Marymount College, Tarrytown, for the Butler Memorial Chapel, and for a building to house laboratories, a gymnasium and auditorium, provided through gifts of James Butler. The Rev. Edward P. Tivnan, president of Fordham University, ied a procession to the site, and Archbishop Patrick J. Hayes turned the first spadeful of earth.

\$300,000 YEAR SEEN IN CITY FERRY PLAN
